

KIMBERLEY SEA SAFARIS 2017

Our Kimberley Sea Safaris are three unique tours that showcase the Buccaneer Archipelago and the beautiful Kimberley Coast. The three different experiences each highlight different tidal movements and the effects on the surrounding locations. All tours are a 'fast boat' ride and are suitable for children 5 and over and are approx. 2 hours in duration.

We need minimum numbers of 4 before a tour is confirmed. All tours are subject to weather & conditions. Times and schedules may change without notice.
