PEARL FARM

A nod to our pearling past:

Our menus draw inspiration from our pearling history with seafood & Asian inspired dishes. The Australian pearling industry was shaped by the many countries & cultures their workers originated from. Malay, Chinese, Filipino, Indonesian & Japanese fusion was common in many households of Broome.

The crews of the pearl luggers would often eat whatever was readily available with the hunting knowledge & cultural influence of the local saltwater people ensuring seafood was always a popular menu item.

Eating the pearl meat & other parts of the pearl oyster is these days considered a rare delicacy, however this was a staple of the early pearling crews. Blachan is an iconic Broome condiment featuring chilli, shrimp paste and tamarind with many families handing down their beloved secret recipes through the generations.
